

## OCTOBER 2015 News - Happy Kitchen and Bath Month!

### PRESIDENT'S NOTE

Dear Fellow NKBA Puget Sound Members,

It's October and that is Kitchen & Bath Month! What a better way to celebrate than to come to our October event to see world-renowned Johnny Grey. This is an amazing opportunity for you, our members. Our board has been working hard to coordinate this amazing designer to come visit us and planning all the activities around the visit. Thank you to Abbrio for hosting the event with Johnny Grey! We are looking forward to it and hope you are too! If you haven't signed up, please do so soon as tickets will sell out fast. And, make it a full day by visiting the Product Showcase beforehand that day at the Seattle Design Center.

Most positions are filled for our board for next year, but still a couple of open ones. Please contact myself or Roshele Allison, CKD CBD for more information.

Warm Regards,  
Kayron Brewer, CKD CBD  
Studio K B  
NKBA Puget Sound President

### MEMBER NEWS & EVENTS

#### OCTOBER IS NATIONAL KITCHEN AND BATH MONTH!

National Kitchen & Bath Month originated when surges in home remodeling occurred in the fall. Although we now know that major kitchen & bath purchase research actually takes place in Q1, Kitchen & Bath Month has maintained the October timeframe, in part because media - both trade and consumer - also feature kitchen and bath topics most prominently in October. In the past our goal was to push the consumer to choose NKBA professionals in their remodeling projects. This year we want to take it a step further and involve our kitchen and bath community with a variety of resources, tools, tips and social media activities just for members! Check out [NKBA.org](http://www.nkba.org) for national NKBA news.

**NKBA Product Showcase** October 15th, 1:30 - 4:30. Featuring the latest and greatest in tops, cabinets, flooring, plumbing, hardware, and more! In the Seattle Design Center Atrium, the local event to brush up on what's new! All of the info can be found at <http://www.nkba.org/events/product-showcase>
